**Option 1:** leagues may reserve blocks of tee times for their leagues without committing to an exact number of players each week. In this case, players each week will pay the regular 9 hole rate of \$15. Riders will pay a 9 hole cart rate of \$7, for a total of \$22 per player. Payment is made by each player on the day of the league. The league must maintain at least an 80% attendance average to hold the tee times.

**Option 2:** leagues who commit to an exact number of players each week (minimum 12) will pay a discounted greens fee of \$14 (\$1 off). Riders will pay a discounted cart fee of \$6 for a total per player fee of \$20. Payment is made by a single appointed individual (such as the league president) each week.

**Option 3:** leagues pay for all greens fees and all cart fees for the season in advance. Prepayment rate is \$13 per player for 9 holes and \$5 for a 9 hole cart for a total of \$18.
